

DIOGO GOUVEIA TEIXEIRA

Junior Software Engineer

+351 919 748 709 | diteixeira04@gmail.com | Lisbon, Portugal | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFILE

Computer Science student at ISEL with strong interest in web development and experience building web applications using JavaScript, React, TypeScript, Spring, and SQL. A federated football player for over 10 years, I've learned to balance high-level commitment in two demanding fields, a balance that has shaped my discipline, resilience, and ability to perform under pressure.

TECHNICAL SKILLS

Languages: JavaScript, TypeScript, Kotlin, SQL, Java, Python

Frontend: React 18, Vite, HTML5, CSS3, Responsive Design

Backend: Node.js, Spring Boot, RESTful APIs

Databases: PostgreSQL, SQL, relational data modelling

Tools & Practices: Git, GitHub, Android Studio, Docker, CI/CD basics, unit testing

AI Integration: Experience integrating AI models via external APIs; built my portfolio using AI-assisted development workflow

PROJECTS

Chelas Poker Dice — Full-Stack Web Application

React 18 · Vite · TypeScript · Spring Boot · Kotlin · RESTful API · CSS

- Built a full-stack multiplayer game platform with React (Vite) frontend and Spring Boot backend communicating via RESTful JSON API
- Managed dynamic UI rendering, component state, and real-time game logic in React
- Designed and implemented responsive interface across devices
- Developed a companion Android application in Kotlin using Android Studio and Ngrok for backend tunnelling

Padel Manager — Web Platform

Kotlin · SQL · JavaScript · HTML · CSS

- Built a web platform for managing padel matches, players, and courts with a relational SQL database
- Implemented full separation between UI and data layers following MVC principles
- Developed frontend interface and backend logic for user interactions and data persistence

Checkers Game

Kotlin · Jetpack Compose · Android

- Implemented full game rules, move validation, and board state management in Kotlin with Compose UI

EDUCATION

BSc in Computer Science and Engineering

ISEL — Instituto Superior de Engenharia de Lisboa, Lisbon

English Language Course: B2 Level (Cambridge)

British Isles, Alverca do Ribatejo

Secondary Education: Science and Technology

Escola EB 2/3 D. Martinho Vaz de Castelo Branco

WORK EXPERIENCE

Children's Entertainer & Event Monitor

2024 – 2025

Feijão Verde — Indoor Playground, Alverca

- Managed groups of children in a fast-paced environment, developing communication, responsibility, and teamwork skills

LANGUAGES

Portuguese (Native) · English (Advanced - B2) · Spanish (Advanced)

OTHER

Driving Licence: Category B · Football (federated player 10+ years): teamwork, discipline, resilience under pressure
